

# KEYSTONE HOMEBREW NEWS

Spring 2016

## Greetings from Keystone Homebrew

**SPRING WEATHER MEANS FUNKY FRESH EVENTS** at your favorite homebrew store, including our Club Barrel Brew judging event in April, Big Brews and an employee brewing contest on National Homebrew Day in May, and the Brewers Brawl (keg-only competition) at the Lansdale Beer Fest in June. It also means that hop rhizomes are here (see page 5) and grapes are ripening on the other side of the equator (see page 2), so get those orders in! As always, we're working hard to bring great new products to help you get the most out of your hobby, including fruit wine bases (page 2), monstrous new grain mills (page 6), and the best selection of spirits barrels in the galaxy (see below).

Things are also bubbling along nicely at our winery, Stone & Key Cellars. We hold a variety of events every month, including wine releases, trivia nights, and more (see page 3). If you haven't tried Stone & Key's wines or hard ciders, now is the time!

Ferment on!

## SPIRITS BARRELS

Carboy aging is so 2015. Fermenting your beer, cider, or mead in a used spirits barrel will add depth and complexity that you'll never get from glass. We are excited to offer barrels in a variety of sizes and spirits from great distilleries such as Hewn, New Liberty, Journeyman, and Dad's Hat. Supply is limited for some of these barrels, so be sure to grab yours before they're all gone!

- 15-Gallon Rye Whiskey Barrels from Dad's Hat \$150
- 10-Gallon Smoked Whiskey Barrel from New Liberty \$150
- 8-Gallon Single Malt Whiskey Barrel from Hewn (just one available!) \$125
- 5-Gallon Irish Oat Barrel from New Liberty \$125
- 5-Gallon Bourbon Barrel from New Liberty \$125
- 5-Gallon Smoked Whiskey Barrel from New Liberty \$125
- 5-Gallon Dutch Malt Whiskey Barrels from New Liberty \$125
- 5-Gallon Four-Grain Whiskey Barrel from Journeyman \$125
- 5-Gallon Wheat Whiskey Barrel from Journeyman \$125

Love the taste of Dad's Hat Rye Whiskey? Be sure to also pick up a bottle of Grinarm's PA Maple Syrup aged in a Dad's Hat Rye Whiskey Barrel (amazing dessert possibilities)! \$19.95/bottle; available exclusively at Keystone Homebrew Supply and Mountain Laurel Spirits.

## NATIONAL HOMEBREW DAY

### Saturday, May 7

#### Bethlehem: Big Brew, Big Barrels

Bring your brewing equipment to our Bethlehem store and get in on a Big Barrel Brew. Sign up soon: space is limited to just 24 brewers who must mash in by 10 A.M. The recipe will be available online soon.

Everyone is welcome to watch the brewing, while enjoying live music from The Counterparts.

#### Montgomeryville: Big Brew, Small Barrels

Celebrate National Homebrew Day with us! This year, we're hosting a Big Brew with a twist. Everyone who comes and brews at the store with us will qualify for a \$25 discount on one of our fantastic 5-, 10-, or 15-gallon spirits barrels (while supplies last; see bottom left) to take home for aging their beer. This special offer is available to Big Brew participants only. We have plenty of space for everyone to brew, but the barrels are first come, first served—so reserve yours now!

### Here's What You Need to Know for BOTH Big Brews

1. You must bring your own brewing equipment, including a propane burner.
2. Set up as early as you like in our parking lot; we'll provide access to water and electricity.
3. Our stores will open at 9 A.M.
4. All-grain brewers must mash in by 10 A.M.
5. We'll fire up our grill and provide lunch for everyone.
6. Bring some homebrews to share!

### Employee Brewing Contest

You know those people who give you advice all the time when you visit our Montgomeryville store? The ones in the "Keystone Homebrew" shirts? This is your chance to find out if they really know what they're talking about! We're having an employee-only homebrew contest, and on National Homebrew Day you get to be the judge! You can vote anonymously for your favorite beer, or you can enter your phone number on your voting ticket for a chance to win \$25 store credit! The winning ticket will be selected randomly from the votes for the winning beer—so choose wisely!

## CHILEAN GRAPES & JUICE

### Available in Montgomeryville and Bethlehem

With a temperate, sunny climate, Chile produces sweet grapes with ripe tannins and excellent acidity, and has become one of the top five sources of wine imports into the United States. We expect our first shipment of Chilean grape juice to arrive by April 22, with the grapes to follow sometime in early May. Please preorder!

To secure your order, we will need a deposit of \$10 per lug of grapes and \$20 per bucket of juice. You can order by phone or online, but if you place an online order, please call our store to provide payment information for the deposit.

Once the grapes arrive, we will offer a full range of winemaking products and convenient services, including crushing/destemming (\$1.50 per lug), equipment rentals, winemaking classes, and more.

Fresh grapes and juice should be **picked up within 5 days of arrival**. If you plan to have us crush your grapes, **please arrive no later than 1 hour prior to closing**. We can also crush and freeze your grapes, and store them frozen at our Montgomeryville store for pickup within 30 days. You must pay for the grapes before we freeze them, plus \$3 per lug for crush and storage. You must also drop off sanitized buckets or pay for new buckets in advance (at least 1 bucket for every 3 lugs).

# KEYSTONE HOMEBREW CLUB

## BARREL BREW CHAMPIONSHIP

### Montgomeryville: Saturday, July 16

We are proud to announce the fourth annual Club Barrel Brew Championship! All regional clubs are invited (subject to validation) to join us on Saturday, July 16, and test their brewing mettle against their peers. These events have been a jolly good time, with 10 or more participating clubs each year, and we are excited about the opportunity to host another such gathering for the region's homebrewing community.

Keystone Homebrew Supply will award \$500 in gift certificates to the winning club, and arrange for each club the free use of a 53 to 60 gallon barrel previously used to age wine or spirits. The size and type(s) of barrels will be determined, based on availability, closer to the event. There is **no fee to participate** or to enter the competition, so if your homebrew club is interested, please fill out the sign-up form on our website. Here's how it works:

- Beers must be brewed at Keystone Homebrew Supply on Saturday, July 16, and be either fermented or aged in the designated club barrel here at our Montgomeryville location.
- Each club determines their own recipe and aging schedule, brews their own beer on their own brew systems, and makes their own barrel additions (if any). If used for primary fermentation, we recommend 35 to 45 gallons of wort per barrel.
- A select group of unaffiliated and entirely incorruptible celebrity judges will judge the barrel brews in April 2017.
- The winning club, as determined by the celebrity panel, will receive the 2016 Keystone Club Barrel Brew Champion Award: \$500 in Keystone Homebrew gift certificates!
- Winning clubs will also be awarded points toward the **2017 Keystone Cup**: 1st place: 15 pts. 2nd place: 10 pts. 3rd place: 5 pts.

In addition to all the homebrews that will be shared, we'll partner with local sponsors to serve food and beer during the event.

### Not a Club Member?

Check out the Keystone Hops (Montgomeryville) or the Lehigh Valley Homebrewers (Bethlehem) to be a part of great events like this! Too far? ## HOMEBREW CON 2016

Homebrew Con is a fantastic educational conference for anyone looking to delve deeper into our hoppy hobby. From the American Homebrewers Association:

“The AHA Homebrew Con (National Homebrewers Conference) is a fun, educational gathering designed to enhance homebrewers’ brewing skills and knowledge and increase homebrewing camaraderie. Special seminars and events cater to beer enthusiasts and amateur brewers of every level.”

Traumatized by boring industry conferences? Don’t worry—this isn’t exactly the Northeast Conference of Sub-Prime Mortgage Brokers. It’s a gathering of avid homebrewers from all over the country, and these people know how to party! It’s not often that the conference is in reasonable driving distance, so we suggest checking out the agenda and consider attending if you can. There are dozens of seminars, covering specific brewing methods, styles, and ingredients, sensory analysis, going pro, recipe formulation and more. Many of the biggest icons and authors in the homebrew world will be on hand, and so will some of the folks from your favorite homebrew shop! We hope to see you there!

## HOP RHIZOMES

Have you ever wanted to grow your own hops? Start your own “beer garden” this spring with hop rhizomes! Available now, while supplies last, for as little as \$3.95 each when you buy ten or more. Varieties of hop rhizomes include Cascade, Centennial, Chinook, Columbus, Crystal, Golding, Liberty, Mt. Hood, Northern Brewer, Nugget, Sterling, Tettnang, and Willamette.

## SOCIAL MEDIA HAPPENINGS

Are you following us on Facebook? If not, then you’re missing out on a lot of fun discussions and special promotions, like our March Brewing Madness event, which pits our finest beer kits against each other in a head-to-head popularity contest where the voters earn discounts off the winning kits! Time is running

out on that one, but we have many more contests, activities, exclusive offers, and special announcements planned for the coming weeks and months. Check us out on Facebook, Twitter, and Instagram to join in on the fun!

## CLUB BARREL BREW JUDGING

### Montgomeryville: Sat., April 9, 6 P.M.

Come sample fine barrel-aged beers at Keystone Homebrew! The Club Barrel Brew Championship is one of our favorite events of the year, with clubs from all over the region (PA, NJ, DE) coming together to share homebrews, talk beer, and compete for the Barrel Brew crown. At a special big brew event that we host in July, each club brews a beer of their choosing, which then spends time in a wine or spirits barrel and ultimately gets evaluated at the April Judging Event at our Montgomeryville store. If you are not affiliated with a club, you are invited to join in the festivities starting at 6 P.M., when the homebrew clubs will open up their booths to the public and pour some of these barrel-aged elixirs (and often other creative concoctions as well). If you are interested in tasting some fantastic homebrews and learning more about the community of talented homebrewers living right in your area then this is one evening you will not want to miss! The event is free for everyone.

If you belong to a club in the region, see page 4 for details on joining the 2016 Club Barrel Brew Championship this July!

The Club Barrel Brew Championship is the second leg of the **Keystone Cup**. Check out the link below for more details on this regional club competition, including current standings:
